

POWER BOOST

Fuel additive for all types of two-stroke and four-stroke engines. Effectively boosts engine performance (increases fuel octane rating) and helps remove carbon for smoother running and better fuel burn.

Follow manufacturer's instructions - see original label for info.

Observe the principles of safety and hygiene when handling the product.

First aid: In case of skin contact, wash off product residues with soap and water. In case of contact with eyes, rinse immediately with plenty of water. If swallowed, do not attempt to induce vomiting. Seek medical attention.

Dispose of the empty container at a municipal waste disposal site and dispose of the container with the rest of the product at a hazardous waste collection facility.
