

Coolant

Radiator antifreeze provides excellent year-round corrosion protection for all metals and alloys in the cooling system of internal combustion engines.

Follow manufacturer's instructions - see original label for info.

Observe the principles of safety and hygiene when handling the product.

First aid: In case of contact with skin, wash off product residues with soap and water. In case of contact with eyes, rinse immediately with plenty of water. If swallowed, do not attempt to induce vomiting. Seek medical attention.

Dispose of the empty container at a municipal waste disposal site and dispose of the container with the rest of the product at a hazardous waste collection facility.
