

Oil for forks

For fork systems with the highest demands. Ensures extremely sensitive reactions and high temperature stability. Low jerky stick-slip motion. Reduced foaming and rapid release of air bubbles.

Follow manufacturer's instructions - see original label for info.

Observe the principles of safety and hygiene when handling the product.

First aid: In case of contact with skin, wash off product residues with soap and water. In case of contact with eyes, rinse immediately with plenty of water. If swallowed, do not attempt to induce vomiting. Seek medical attention.

Dispose of the empty container at a municipal waste disposal site and dispose of the container with the rest of the product at a hazardous waste collection facility.
