Gear oil

A versatile, high-performance automatic transmission fluid with excellent low-temperature properties and excellent anti-ageing properties. Also suitable for power steering and various mechanical transmissions for which ATF is prescribed.

Follow manufacturer's instructions - see original label for info.

When handling the product, observe the principles of occupational safety and hygiene. First aid: In case of contact with skin, wash off product residues with soap and water. In case of contact with eyes, rinse immediately with plenty of water. If swallowed, do not attempt to induce vomiting. Seek medical attention.

Dispose of the empty container at a municipal waste disposal site and dispose of the container with the rest of the product at a hazardous waste collection facility.
